

DON'T LIKE IMMERSION.

Dr. Leonard Says There Is Not a Baptist Church in Carroll County.

VERY FEW IN DISTRICT.

Officers Chosen For the Wooster Baptist Association.

NEXT MEETING AT MASSILLON.

Delegates Appointed and Committee Selected For the Coming Year—Resolutions Adopted Urging Liberal Donations and For Pulverizing Liquor Power.

The Wooster Baptist association convention is being well attended Wednesday. The sessions Tuesday afternoon were unusually interesting and some very pointed facts were brought out in the discussions.

Dr. Leonard, one of the missionary secretaries of the church, in his talk to the delegates urged them to be alive to the work of giving liberally to the state convention so the work could be strengthened in this district. He said that this district, for its wealth and population was the weakest in Baptists of any section of the state. There is not a single Baptist church in Carroll county and very few in the other counties in the district. The churches at Alliance and at Massillon are both in hard lines and need assistance. The reports show that the Canton church has nearly as many members as all the rest of the churches in the district put together and it last year gave over one third of all the money raised for church purposes.

The election of officers was held at the Tuesday afternoon session and the following were chosen:

Moderator, Dr. E. Chesney, of Wooster; secretary, Rev. J. B. Strawn, of Salem; first vice-president, J. F. Campbell, of Canton; second vice-president, Miss Lyde Jenkins, of Canton; third vice-president, Mrs. J. M. Crisswell, of Alliance.

Massillon has been selected as the place for meeting next year.

Tuesday night there was a service with special music by the Canton Baptist choir and the annual sermon was delivered by Rev. A. B. Whitney, of Salem.

Wednesday morning the committees reported. The auditing committee said that everything was straight in the treasurer's and secretary's books. Resolutions were adopted declaring in favor of a more thorough attention to the beneficence of the church; declaring "That we are heartily in favor of any and every reasonable effort to pulverize the liquor power;" expressing sympathy for the Wooster church in its loss by death of the pastor's wife; and thanking the Canton Baptists for hospitality.

The delegates and committees elected for the coming year were as follows:

Delegates to the state convention—Dr. E. Chesney, of Wooster, and Rev. A. B. Whitney, of Salem.

Commission of systematic beneficence—Dr. Chesney, of Wooster; Rev. J. M. Crisswell, of Alliance; W. J. Clark, of Salem; Mrs. E. T. Crowl, of Canton, and Miss Mary Alter, of New Philadelphia.

Missionary committee—Rev. A. M. Eley, Rev. J. C. Ford, of Massillon; Rev. E. Medsker, of Marshalltown; Mrs. Enos Stewart, of Reedurban, and Mr. George Harvey, of Canton.

Next year at the meeting at Massillon Rev. J. C. Ford will deliver the introductory address with Rev. J. M. Crisswell, of Alliance, as alternate.

The latter part of the Wednesday morning session was devoted to a consideration of the Sunday school question. The following papers and addresses were given:

Pastor's relation to the Sunday school—J. B. Strawn.

Superintendent's relation to the church—Rev. A. M. Eley.

The teacher's opportunity—Miss Alice Strawn.

The teacher's preparation for teaching—Miss Lyde Jenkins.

How to secure conversion of children—Miss Lucy Galtgey.

The Wooster Baptist association closed its three days convention in this city Thursday afternoon after a series of very pleasing and profitable meetings.

Wednesday afternoon was devoted to the work of the Women's missions. Mrs. George M. Wood, president of that department, conducted the services and made an address very appropriate to the occasion. The following addresses and papers were then given to the convention:

Reports of secretaries, Miss Anna Graeter, and Mrs. S. E. Barr.

"Responsibility, Godward and Manward," Mrs. A. Danner Jones.

"The Ecumenical Conference," Miss Laura Myers.

"Womans Home Mission Work," Mrs. S. M. Fulton.

Mrs. Jones's address was a gem in both thought and delivery and was highly commended by all who heard it. There were also talks on the work of the missionary union and the Ministers Aid society.

Wednesday evening Rev. A. S. Carman delivered an eloquent sermon.

Thursday morning the Baptist Young People's union had charge of the meeting. The president, Mrs. J. C. Ford, of Massillon, opened with a pleasing talk and the following addresses were made:

"Junior," Miss Nora Shively.

"Junior work," Miss Nora Shively.

"Ohio Baptist Assembly," Mrs. S. E. Barr.

"A successful union," Miss Laura Kirtland.

Address—"The measure of Christian greatness," Rev. Dr. E. Chesney. At the close of the Young People's meeting there was a short session for prayer and praise and the convention then adjourned to meet next year at the Massillon Baptist church.

SCALP WOUND

Received by a Man Who Was Thrown Violently From His Buggy.

At 10 o'clock Wednesday morning Edward Hay, who is employed as agent for the Singer Sewing Machine company, and who resides at No. 815 Lawrence avenue, was driving westward in Tuscarawas street about two blocks east of the Pennsylvania crossing when his horse became unmanageable, and began kicking in a furious manner, and in its efforts to get away, ran into the crossing gate post, throwing Hay out of the vehicle, and against the corner of the sharp iron post with such force as to cut the scalp to the skull, making a gash nearly seven inches long. The injured man was removed to a nearby place and Dr. E. D. Brant summoned. Dr. Brant put several stitches in the scalp, and the Miller-Blanchard ambulance was called. Hay was removed to his home. En route he seemed rational at times but kept asking his attendants "How was I hurt?" "Did the train hit me?" While the wound is a severe one it is not dangerous. It will, however, be some time before Hay will take another ride.

WORSE THAN REPORTED.

This afternoon it was announced that Edward Hay, who was injured this morning, was found to have been hurt worse than at first reported. His left shoulder was found to have been fractured and his injuries upon the head have caused concussion of the brain which causes delirium. Dr. Brant thought he might be able to bring him out of the delirium in a few hours.

BULLET HOLE IN TEMPLE.

Lifeless Remains of Oliver Taylor Found in a Wheat Field.

POSSE HUNTED ALL DAY.

Threatened to Commit Some Act During the Day and Disappeared.

NO KNOWN CAUSE EXISTS.

A Well Known Farmer and His Tragic Death Near the Village of Hartsville—Acting Coroner Bowman Called to View the Corpse.

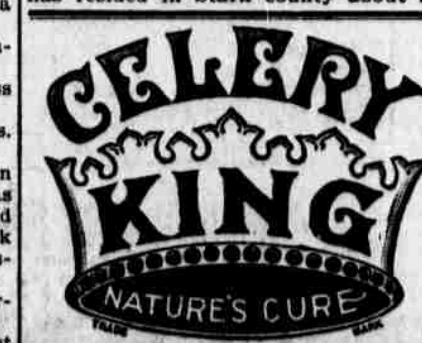

The body of Oliver Taylor, a well known farmer, residing near Hartsville, was found Wednesday morning near his home, with a bullet hole through one of the temples. Taylor was married, and about 40 years of age, and leaves a wife and three children. He left home Tuesday morning about 10 o'clock, stating that something was going to happen during the day. He carried a loaded revolver with him. Learning of what he had said, friends started a search, believing that he would shoot himself. A posse of neighbors hunted all day but failed to find him. Wednesday morning about 7 o'clock Adam Glinther found the body of Taylor in a wheat field, about one-fourth of a mile from the house.

The body evidently had been lying there since Tuesday morning. There was no family trouble known of. Taylor resided on the Lincke farm about two and a half miles southeast of Hartsville, and was a hard working man. Acting Coroner James A. Bowman was summoned to view the remains. The funeral services will occur Thursday afternoon from the family residence.

Acting Coroner Bowman returned Wednesday afternoon and reported his findings in the premises, substantially as told in the foregoing. He will return a verdict accordingly.

PROMINENT PEOPLE WEDDED.

Miss Annetta Slentz and William Oliver Jones Joined By Rev. Herbruck.

By virtue of a brief but impressive ceremony pronounced by Rev. E. P. Herbruck last evening Mr. William Oliver Jones and Miss Annetta Mae Slentz were joined for life in the bonds of holy matrimony. Witness to the service was Miss Helen Perkins, an intimate friend of the bride. Both of the contracting parties have a large circle of friends in this city. Mr. Jones was formerly a resident here but is now located at Waltham, Mass., where he is employed in the watch works of that city. Miss Slentz is the young and winsome daughter of Mr. and Mrs. A. O. Slentz, of East Tenth street. They were driven to Massillon last evening and after several days will return to this city

for a short sojourn. On the 5th of July they will proceed to Waltham for permanent residence.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free. F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Hall's Family Pills are the best.

Fifteen members of the Ladies Catholic Benevolent association went to Middlebranch Thursday morning to attend a surprise party to be given Mrs. Braucher.

CLEVELAND CASE.

A Controversy From the Forest City Brought Here For Trial—Court News.

The suit of George H. Kauffman against Allison Gibbons and A. W. Burrows was taken up by Judge Taylor Thursday. The litigants all live in Cleveland but the contention is about a lot in this city and so the case was brought here. Kauffman says that Burrows was to furnish him with \$8,000 worth of lumber for which he was to pay part in money and give a deed for a lot in Canton worth \$2,500 to Gibbons. The deed for this lot was to be in the hands of A. Housel till the contract was fulfilled. Kauffman says that Burrows never provided the lumber but that Gibbons went to Housel and represented that the deed was to be changed and got it and had it recorded. Now Kauffman sues to compel Gibbons to reconvey the property back to him. Bentley and Vicary represent the plaintiff and Gibbons and Dunning the defense.

A DAMAGE SUIT.

The damage suit of Peter J. McCurdy against the Pennsylvania railway company for the loss of two fingers and a thumb, was finished to the jury about 9 o'clock Thursday morning. The case is a rather extraordinary one in the trial. The plaintiff was the only witness for the petitioner and the defense did

not have any witnesses at all. At the close of McCurdy's testimony the attorneys for the defense asked the court to take the case from the jury and throw it out of court. This was argued for some time but the court finally decided to let the jury have a chance at it.

STILL COMING IN.

Every Day Increases the Circulation of the Stark County Democrat.

Sixteen new yearly subscriptions to the old reliable Stark County Democrat was the record for Wednesday of this week and on Tuesday nine subscriptions were added, making twenty-five in two days, most of them from Marchand and Canton rural delivery. Over fifty new names now a week is the average, and since January last over 1,200 new subscriptions have been placed on the list. Under its new management the Stark County Democrat is regaining all its old time prestige and influence.
